

bers, that Brother Koontz has again been unanimously called by the church at this place to serve another year as pastor, it being his sixth year of faithful service, and we hope the Lord will still give him more souls for his hire.

The Ladies' Aid Society is doing an excellent work at this place, and with much pleasure I can say it is not the only department that is progressing, but also the Sunday-school of which brother Richard Horner is superintendent, and the King's Children society Sr.

May God bestow his richest blessings on each and every one is my prayer.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,
